

## **PPX-TEC, LLC Terms and Services**

*Last updated: January 6, 2020*

These terms and services create a contract between Users' of PPX-TEC Mobile Application and PPX-TEC, LLC. Please read these Terms and Services carefully before entering data into the app. Your access to and use of the App is conditioned on your acceptance of and compliance with these terms. These terms apply to all users using the App. If you disagree with any part of the terms then you may not use the App.

### **Privacy Notice**

PPX-TEC does not store, share or have access to any of your data in the PPX-TEC Mobile Application. Your health data is on your smart devices, in your possession and vendor's platforms, i.e. Electronic Medical Records of providers that you presented for health care. PPX-TEC Mobile Application is a 'bridge' to exchange health data between data silos. Your use of our App is subject to our Privacy Policy, which is available as a link on PPX-TEC app 'About Screen' under agreements and certifications and on the website of [www.ppx-tec.com](http://www.ppx-tec.com). As the user of the app, it is your responsibility to safeguard the device on which the app is installed and wherein your personal data is entered.

Users can protect their phones using the mobile operating systems security features, which include PIN entry to access the device, and a PIN option to access the app itself. PPX-TEC's users' create a security PIN to gain app access and the app has 3 other layers of security required for mobile application's function. To create PIN select a 4-digit number, App stores the PIN and prompts user for PIN to gain access. PPX-TEC email users will receive 'a pop up message' stating 'Warning you are about to send medical data in an unencrypted format to a third party. Proceed No or Yes'?

PPX-TEC App is integrated into Apple's Health Kit, PPX-TEC users' choose to share or not share data with health kit and any data shared remains under users complete control. When providing consent you decide which data from your health records are shared with the third-party app.

PPX-TEC has no control over, and assumes no responsibility for, the content, privacy policies, or practices of any third party web sites or services. You further acknowledge and agree that PPX-TEC shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, goods or services available on or through any such web sites or services.

**We strongly advise you to read the terms and conditions and privacy policies of any third-party web sites or services that you visit.** These terms shall be governed and construed in accordance with the laws of United States, without regard to its conflict of law provisions.

Our failure to enforce any right or provision of these terms will not be considered a waiver of those rights. If any provision of these terms is held to be invalid or unenforceable by a court, the remaining provisions of these Terms will remain in effect. These terms constitute the entire agreement between us regarding our Service, and supersede and replace any prior agreements we might have between us regarding the Service.

#### **Changes or Updates**

PPX-TEC will notify all users prior to any roll out or changes. Users' will receive a 'pop up message' in app with a link on the 'About Screen' under Agreements and Certifications and the website's policy will reflect such updates.

PPX-TEC will notify users of sale or merger. Acquiring company will contractually have to abide by BlueButton 2.0 policy and procedures.

By continuing to access or use of PPX-TEC after those revisions become effective, you agree to be bound by the revised terms. If you do not agree to the new terms, please stop using the app by deleting app and data on Apple's and Google Platforms.

PPX-TEC iOS and Android App do not store, collect or share any of users' data.

If you have any questions about these terms, please contact us at: [support@ppx-tec.com](mailto:support@ppx-tec.com).
